

Public Personnel Review — Index

VOLUME I — 1940

THE following index contains authors, titles, and subject matter references arranged in one alphabet. Full titles of principal articles appear in italics under the author's name, and a supplementary citation appears under the subject of the article. Abstracts of articles (A), book reviews (BR), and court decisions (CD) appear under the principal subjects to which they pertain. In addition, all book

reviews are arranged alphabetically by author under the heading "Book Reviews." The numerals at the end of each entry signify the issue number and the page(s) of that issue in which the citation appears.

Note: Volume I of *Public Personnel Review* contains three issues: April, July, and October, 1940. The page numbers in each of the issues begin with Page 1.
